THIS INDENTURE, made this 20th day of July, 1970, by and between MULLAN SILVER-LEAD COMPANY, an Idaho corporation, hereinafter called the "Grantor," and ALICE CONSOLIDATED MINES, INC., an Idaho corporation, hereinafter called the "Grantee,"

W I T N E S S E T H:

That the Grantor, for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration to it in hand paid by the said Grantee, the receipt whereof is hereby acknowledged, has granted, bargained, sold and conveyed, and by these presents does hereby grant, bargain, sell and convey unto the Grantee, its successors and assigns forever, all of those certain patented and unpatented lode mining claims, or portions thereof, situated in the Hunter Mining District, Shoshone County, Idaho, described as follows:

<u>Name of</u> <u>Patented Claim</u>	<u>United States</u> <u>Mineral Survey Number</u>
Galena	1919
Mineral Farm	1919
Ophir	1919
Eclipse	1919
Piper	1919
Lynx No. 1	1919
Kaintuck	2248
Arlington	2248

Excluding from the Arlington patented lode mining claim, Mineral Survey No. 2248, a portion of the surface only conveyed to Axel Berglund, the deed for which is dated November 19, 1924, and is recorded in the office of the County Recorder of the County of Shoshone, State of Idaho, in Book 58 of Deeds, page 192.

SUBJECT TO: The paramount title of the United States,
in and to said unpatented mining claims;

which said patented and unpatented lode mining claims comprise a
singular contiguous group, the exterior boundaries of which are
described as follows:

Beginning at Corner No. 1 of the Arlington patented lode
mining claim, Mineral Survey No. 2248;

Thence westerly along the southerly side line of said
Arlington Lode to Corner No. 4 thereof;

Thence northerly along the westerly end lines of the
Arlington and Kaintuck patented lode mining claims,
Mineral Survey No. 2248 to Corner No. 3 of the Lynx
No. 1 patented lode mining claim, Mineral Survey No.
1919;

Thence northerly along the westerly end line of said
Lynx No. 1 Lode to Corner No. 4 of the Ophir patented
lode mining claim, Mineral Survey No. 1919;

Thence westerly along the southerly side line of said
Ophir Lode to Corner No. 3 thereof;

Thence northerly along the westerly end line of said
Ophir Lode to its intersection with the north Boundary
line of Lot 2, Section 33, T. 48 N., R. 5 E., Boise
Meridian;

Thence westerly along the north boundary lines of
said Lot 2, the N.W. 1/4 N.W. 1/4 Section 33, T. 48 N.,
R. 5 E., Boise Meridian and lot 11, Section 32,
T. 48 N., R. 5 E., Boise Meridian to the Northwest
Corner of said Lot 11;

Thence southerly along the west boundary line of said
Lot 11 to its intersection with the south side line of
the Junior unpatented lode mining claim;

Thence westerly along the southerly side line of said
Junior Lode to the Southeast Corner of the Doctor
unpatented lode mining claim;

Thence westerly along the southerly side line of said
Doctor Lode to its intersection with the easterly side
line of the Wild Horse patented lode mining claim,
Mineral Survey No. 1915;

Thence northeasterly along the easterly side line of said Wild Horse Lode to Corner No. 3 thereof which lies on the south side line of the Last Chance patented lode mining claim, Mineral Survey No. 1915;

Thence southeasterly along the southerly side line of said Last Chance Lode to Corner No. 1 of the Robin patented lode mining claim, Mineral Survey No. 1915;

Thence easterly along the southerly side lines of the Robin and Rover patented lode mining claims, Mineral Survey No. 1915 to Corner No. 2 of the Swamp patented lode mining claim, Mineral Survey No. 1915;

Thence easterly along the southerly side line of said Swamp Lode to Corner No. 3 thereof;

Thence northeasterly along the easterly end line of said Swamp Lode to Corner No. 4 thereof, which lies on the southerly side line of the Climax patented lode mining claim, Mineral Survey No. 1915;

Thence southeasterly along the southerly side line of said Climax Lode to Corner No. 3 thereof;

Thence northerly along the easterly end line of said Climax Lode to Corner No. 4 thereof;

Thence northwesterly along the northerly side line of said Climax Lode to Corner No. 3 of the Ground Hog patented lode mining claim, Mineral Survey No. 1915;

Thence westerly along the northerly side line of said Ground Hog Lode to Corner No. 3 of the Ground Hog No. 3 patented lode mining claim, Mineral Survey No. 1915;

Thence northerly along the easterly end line of said Ground Hog No. 3 Lode to Corner No. 4 thereof, which lies on the southerly side line of the Keystone patented lode mining claim, Mineral Survey no. 1915;

Thence easterly along the southerly side line of said Keystone Lode to Corner No. 2 thereof;

Thence northerly along the easterly end line of said Keystone Lode to Corner No. 3 thereof, which lies on the southerly side line of the Divide patented lode mining claim, Mineral Survey No. 1915;

Thence easterly along the southerly side line of said Divide Lode to Corner No. 2 thereof;

Thence northerly along the easterly end line of said Divide Lode to Corner No. 3 thereof;

Thence westerly along the northerly side line of said Divide Lode to its intersection with the westerly end line of the Tom unpatented lode mining claim;

Thence northerly along the westerly end line of said Tom Lode to the Northwest Corner thereof;

Thence southeasterly along the northerly side line of said Tom Lode to its intersection with the westerly side line of the Main patented lode mining claim, Mineral Survey No. 2813;

Thence southerly along the westerly side line of said Main Lode to Corner No. 2 thereof;

Thence easterly along the southerly end line of said Main Lode to Corner No. 1 thereof;

Thence northerly along the easterly side line of said Main Lode to its intersection with the northerly side line of the Tom unpatented lode mining claim;

Thence southeasterly along the northerly side line of said Tom Lode to the Northeast Corner thereof;

Thence southerly along the easterly end line of said Tom Lode to its intersection with the northerly side line of the High Line patented lode mining claim, Mineral Survey No. 2818;

Thence southwesterly along the northerly side line of said High Line Lode to Corner No. 2 thereof;

Thence southerly along the westerly end line of said High Line Lode to Corner No. 1 thereof;

Thence northeasterly along the southerly side line of said High Line Lode to Corner No. 4 thereof, which lies on the westerly end line of the No. 13 patented lode mining claim, Mineral Survey No. 1672;

Thence southerly along the westerly end line of said No. 13 Lode to Corner No. 3 thereof;

Thence easterly along the southerly side line of said No. 13 Lode to Corner No. 4 of the No. 5 patented lode mining claim, Mineral Survey No. 1672;

Thence southerly along the westerly end line of said No. 5 Lode to Corner No. 4 of the No. 4 patented lode mining claim, Mineral Survey No. 1672;

Thence southerly along the westerly end line of said No. 4 Lode to its intersection with the easterly end line of the Eclipse patented lode mining claim, Mineral Survey No. 1919;

Thence southeasterly along the easterly end line of said Eclipse Lode to Corner No. 1 thereof;

Thence westerly along the southerly side line of said Eclipse Lode to its intersection with the westerly end line of the No. 3 patented lode mining claim, Mineral Survey No. 1672;

Thence southerly along the westerly end lines of the No. 3, No. 2, and No. 1 patented lode mining claims, Mineral Survey No. 1672 to Corner No. 2 of the Arlington patented Lode mining claim, Mineral Survey No. 2248;

Thence southerly along the easterly end line of said Arlington Lode to Corner No. 1 thereof, point of beginning.

Mineral Certificate.
No. 437.

THE UNITED STATES OF AMERICA,
To all to whom these presents shall come, Greeting:

WHEREAS, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of survey and the Certificate, No. 437, of the Register of the Land Office at Coeur d'Alene in the State of Idaho, accompanied by other evidence whereby it appears that the Alice Mining Company did, on the eleventh day of July, A.D. 1904, duly enter and pay for that certain mining claim or premises, known as the Alice Group, consisting of the Mountain View, Case, Wild Horse, Last Chance, Alice C., Anaconda, Stray Horse, Capitol, Sovereign, Keystone Fraction, Mary J. No. 2, Mary J., Robin, Rover, Swamp, Ground Hog, Climax, Ground Hog No. 3, Keystone and Divide lode mining claims, designated by the Surveyor-General as Lot No. 1915, embracing a portion of the surveyed public domain, in the Hunter Mining District, in the County of Shoshone, and State of Idaho, in the District of Lands subject to sale at Coeur d'Alene and bounded, described and platted as follows, with magnetic variation twenty-one degrees and thirty minutes east.

BEGINNING for the description of the Mountain View lode claim at corner No. 1, a fir post five inches square, marked 1-1915, in mound of earth, from which the north east corner of section twenty-five in township forty-eight north of range four east, Boise meridian, bears south seventy-seven degrees and eight minutes west five thousand six hundred and sixty-nine and six tenths feet distant.

Thence, first course, south sixty-three degrees and thirty-five minutes east one thousand one hundred and sixty-one and five tenths feet to corner No. 2, a pine post six inches square, marked 2-1-1915, in mound of earth.

Thence, second course, north twenty-seven degrees east three hundred feet to a point from which discovery shaft bears north sixty-three degrees and thirty-five minutes west two hundred and sixty-seven feet distant; five hundred and ninety-eight and six tenths feet to corner No. 3, a pine post four and one half inches square, marked 3-2-5-1915, in mound of earth, from which U.S. location monument No. 5, bears north eighty-four degrees and eleven minutes east two thousand seven hundred and forty-six feet distant.

Thence, third course, north sixty-three degrees and thirty-one minutes west one thousand one hundred and sixty-one and five tenths feet to corner No. 4, a fir post four and one half inches square, marked 4-1-1915, in mound of earth.

Thence, fourth course, south twenty-seven degrees west six hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand one hundred and sixty-one and five tenths feet in length along said Mountain View vein or lode.

BEGINNING for the description of the Case lode claim at corner No. 1, identical with corner No. 4 of said Mountain View lode claim, from which said section corner bears south seventy-two degrees and forty-seven minutes west six thousand and seventy-one and seven tenths feet distant.

Thence, first course, south sixty-three degrees and thirty-one minutes east one thousand one hundred and sixty-one and five tenths feet to corner No. 2, identical with corner No. 3 of said Mountain View lode claim.

Thence, second course, south seventy-four degrees and six minutes east two hundred and ninety-eight and four tenths feet to corner No. 3, a fir post four inches square,

marked 3-4-1-1915, in mound of earth, from which said U.S. location monument No. 5 bears north eighty-one degrees and thirty-seven minutes east two thousand four hundred and seventy-one and three tenths feet distant.

Thence, third course, north thirty minutes west two hundred and sixty- $\frac{5}{8}$ and seven tenths feet to a point from which discovery cut bears north sixty-four degrees and thirty minutes west five hundred and fifty feet distant; five hundred and ninety-six and seven tenths feet to corner No. 4, a fir post four and one half inches square, marked 4-6-2-1915, in mound of earth.

Thence, fourth course, north sixty-five degrees and thirty-three minutes west one thousand four hundred and fifty-seven and three tenths feet to corner No. 5, a fir post five inches square, marked 5-1915, in mound of earth.

Thence, fifth course, south thirty minutes east six hundred and two tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and seventy and one tenth feet in length along said Case vein or lode.

BEGINNING for the description of the Wild Horse lode claim at corner No. 1, a fir post four inches square, marked 1-1915, in mound of earth, from which said section corner bears north eighty-four degrees and thirty-four minutes west six thousand two hundred and seventy-nine and two tenths feet distant.

Thence, first course, north thirty-nine degrees and fifty minutes west one thousand five hundred feet to corner No. 2, a fir post four inches square, marked 2-1915, in mound of earth.

Thence, second course, south seventy-three degrees and forty-six minutes east three hundred feet to a point from which discovery cut bears south thirty-nine degrees and fifty minutes west five hundred and seventy-eight feet distant; six hundred feet to corner No. 3, a fir post four inches square, marked 3-1915, in mound of earth, from which said U.S. location monument No. 5 bears north fifty-six degrees and forty-seven minutes east two thousand one hundred and thirty-one and two tenths feet distant.

Thence, third course, south forty-four degrees and thirty-two minutes west one thousand five hundred and sixty-one and two tenths feet to corner No. 4, a fir post four inches square, marked 4-1915, in mound of earth.

Thence, fourth course, north seventy-three degrees and forty-six minutes west four hundred and sixty and four tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Wild Horse vein or lode.

BEGINNING for the description of the Last Chance lode claim at corner No. 1, identical with corner No. 2 of said Mountain View lode claim, from which said section corner bears south eighty-three degrees and thirty-one minutes west six thousand six hundred and nine and seven tenths feet distant.

Thence, first course, south seventy-three degrees and forty-six minutes east six hundred and seventy-one and two tenths feet to corner No. 2 of said Wild Horse lode claim; one thousand four hundred and ninety-nine and seven tenths feet to corner No. 2, a pine tree squared to four inches, marked 2-1-1915.

Thence, second course, north twenty-seven degrees east three hundred feet to a point from which discovery shaft bears north seventy-three degrees and forty-six minutes west one hundred and fifty-five feet distant; six hundred feet to corner No. 3, a pine post six inches square, marked 3-2-5-1915, in mound of earth and rock, from which said U.S. location monument No. 5 bears north sixty-one degrees and thirty-nine minutes east one thousand four hundred and sixty-seven and two tenths feet distant.

Thence, third course, north seventy-three degrees and forty-five minutes west one thousand two hundred and one and six tenths feet to corner No. 4, identical with corner No. 3 of said Case lode claim.

Thence, fourth course, north seventy-four degrees and six minutes west two hundred and ninety-eight and four tenths feet to corner No. 5, identical with corners Nos. 3 and 2 of said Mountain View and Case lode claims, respectively.

Thence, fifth course, south twenty-seven degrees west five hundred and ninety-eight and six tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and ninety-nine and seven tenths feet in length along said Last Chance vein or lode.

BEGINNING for the description of the Alice O. lode claim at corner No. 1, identical with corners Nos. 3 and 4 of said Case and Last Chance lode claims, respectively, from which said section corner bears south eighty degrees and twenty-eight minutes west seven thousand two hundred and twenty-six and one tenth feet distant.

Thence, first course, south seventy-three degrees and forty-five minutes east one thousand two hundred and one and six tenths feet to corner No. 2, identical with corner No. 3 of said Last Chance lode claim.

Thence, second course, south eighty-nine degrees and twenty-two minutes east two hundred and ninety-four and six tenths feet to corner No. 3, a fir post four and one half inches square, marked 3-1-4-1915, with mound of earth.

Thence, third course, north thirty minutes west six hundred feet to corner No. 4, a fir post four inches square, marked 4-2-6-1915, in mound of rock, from which said U.S. location monument No. 5 bears north eighty-four degrees and eighteen minutes east one thousand and six and nine tenths feet distant.

Thence, fourth course, north eighty-nine degrees and thirty-eight minutes west two hundred and ninety-seven and six tenths feet to corner No. 5, a fir post five inches square, marked 5-3-1-1915, in mound of earth.

Thence, fifth course, north seventy-three degrees and forty-eight minutes west one thousand one hundred and ninety-eight and one tenth feet to corner No. 6, identical with corner No. 4 of said Case lode claim.

Thence, sixth course, south thirty minutes east two hundred and ninety-six and seven tenths feet to a point from which discovery shaft bears south seventy-three degrees and forty-five minutes east nine hundred and seventy feet distant; five hundred and ninety-six and seven tenths feet to corner No. 1, the place of beginning; the survey of

th lode claim as above described extending one thousand four hundred and ninety-six and two tenths feet in length along said Alice O. vein or lode.

BEGINNING for the description of the Anaconda lode claim at corner No. 1, a fir post five inches square, marked 1-1915, in mound of earth, from which said section corner bears south seventy-four degrees and eighteen minutes west seven thousand one hundred and three and nine tenths feet distant.

Thence, first course, south sixty-five degrees and thirty-three minutes east three hundred and nine and nine tenths feet to corner No. 2, identical with corners Nos 4 and 6 of said Case and Alice O. lode claims, respectively.

Thence, second course, south seventy-three degrees and forty-eight minutes east one thousand one hundred and ninety-eight and one tenth feet to corner No. 3, identical with corner No. 5 of said Alice O. lode claim, from which said U.S. location monument No. 5 bears north eighty-five degrees and forty-one minutes east one thousand three hundred and three and two tenths feet distant.

Thence, third course, north ten degrees east three hundred feet to a point from which discovery cut bears north seventy-three degrees and forty-eight minutes west six hundred and fifty feet distant; six hundred feet to corner No. 4, a fir post four and one half inches square, marked 4-2-5-1915, in mound of earth.

Thence, fourth course, north seventy-three degrees and forty-eight minutes west one thousand five hundred feet to corner No. 5, a fir post four and one half inches square, marked 5-1915, in mound of earth.

Thence, fifth course, south ten degrees west five hundred and fifty-five and three tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Anaconda vein or lode.

BEGINNING for the description of the Stray Horse lode claim at corner No. 1, a fir post four inches square, marked 1-1915, in mound of earth, from which said section corner bears south seventy-two degrees and thirty-four minutes west seven thousand seven hundred and seventy-two and nine tenths feet distant.

Thence, first course, south seventy-three degrees and forty-eight minutes east one thousand feet to corner No. 2, identical with corner No. 4 of said Anaconda lode claim.

Thence, second course, north seventy-seven degrees and forty-seven minutes east five hundred and twenty-eight and four tenths feet to corner No. 3, a fir post five inches square, marked 3-1-4-1915, in mound of earth, from which said U.S. location monument No. 5 bears south forty-eight degrees and nineteen minutes east nine hundred and nine and one tenth feet distant.

Thence, third course, north three degrees and thirty minutes east five hundred and thirty-three and nine tenths feet to corner No. 4, a fir post four and one half inches square marked 4-4-1915 in mound of earth.

Thence, fourth course, south seventy-seven degrees and forty-seven minutes west five hundred and twenty-eight and four tenths feet to corner No. 5, a post five inches square, marked 5-1915, in mound of earth.

Thence, fifth course, north eighty-one degrees and twenty-eight minutes west five hundred and seventy-nine and three tenths feet to corner No. 6, a pine post four inches square, marked 6-1915, in mound of earth.

Thence, sixth course, south three degrees and thirty minutes west three hundred feet to a point from which discovery cut bears south eighty-five degrees and twenty minutes east three hundred and sixty-five feet distant, four hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and ninety and two tenths feet in length along said Stray Horse vein or lode.

BEGINNING for the description of the Capitol lode claim at corner No. 1, identical with corner No. 3 of said Stray Horse lode claim, from which said section corner bears south seventy-six degrees and twenty minutes west nine thousand one hundred and fifty-one and three tenths feet distant, and said U.S. location monument No. 5 bears south forty-eight degrees and nineteen minutes east nine hundred and nine and one tenth feet distant.

Thence, first course, north eighty-five degrees and five minutes east one thousand four hundred and ninety and three tenths feet to corner No. 2, a pine post four and one half inches square, marked 2-4-1-1915, in mound of earth.

Thence, second course, north three degrees and thirty minutes east three hundred feet to a point from which discovery cut bears south eighty-five degrees and five minutes west five hundred and fifty feet distant; five hundred and seventy and three tenths feet to corner No. 3, a pine post four inches square, marked 3-4-1915, in mound of earth.

Thence, third course, south eighty-three degrees and forty-two minutes west one thousand four hundred and ninety-six and one tenth feet to corner No. 4, identical with corner No. 4 of said Stray Horse lode claim.

Thence, fourth course, south three degrees and thirty minutes west five hundred and thirty-three and nine tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and ninety and three tenths feet in length along said Capitol vein or lode.

BEGINNING for the description of the Sovereign lode claim at corner No. 1, a fir post six inches square, marked 1-5-1915, in mound of earth, situate on line 3-4 of said Anaconda lode claim, from which said section corner bears south seventy-eight degrees and thirty-four minutes west eight thousand four hundred and fifty-nine and six tenths feet distant.

Thence, first course, north eighty-four degrees and fourteen minutes east one thousand four hundred and seven tenths feet to corner No. 2, a pine post six inches square marked 2-1-1915, in mound of earth, from which said U.S. location monument No. 5 bears north thirty degrees and twenty-two minutes west two hundred and forty-five and one tenth feet distant.

Thence, second course, north ten degrees east four hundred and seventy-six and six tenths feet to corner No. 3, a pine post six inches square, marked 3-5-1915, in mound of earth.

Thence, third course, south eighty-five degrees and five minutes west eight hundred and eighty-eight and eight tenths feet to corner No. 4, identical with corner No. 3 of said Stray Horse lode claim and corner No. 1 of said Capitol lode claim.

Thence, fourth course, south seventy-seven degrees and forty-seven minutes west five hundred and twenty-eight and four tenths feet to corner No. 5, identical with corners Nos. 4 and 2 of said Anaconda and Stray Horse lode claims, respectively.

Thence, fifth course, south ten degrees west one hundred and seventy-eight and six tenths feet to a point from which discovery shaft bears north eighty-four degrees and fourteen minutes east four hundred and seventy feet distant; four hundred and twenty-eight and six tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and seven tenths feet in length along said Sovereign vein or lode.

BEGINNING for the description of the Keystone Fraction lode claim at corner No. 1, identical with corner No. 2 of said Sovereign lode claim, from which said section corner bears south seventy-nine degrees and thirty-nine minutes west nine thousand eight hundred and fifty-five and one tenth feet distant, and said U.S. location monument No. 5 bears south thirty degrees and twenty-two minutes west two hundred and forty-five and one tenth feet distant.

Thence, first course, north eighty-four degrees and fourteen minutes east one hundred and thirty-three and seven tenths feet to corner No. 2, a pine post six inches square, marked 2-4-5-1915, in mound of earth.

Thence, second course, south eighty-six degrees and nine minutes east two hundred and ten and two tenths feet to corner No. 3, a pine post four and one half inches square, marked 3-1-1915, in mound of earth.

Thence, third course, north ten degrees east two hundred and fifty feet to a point from which discovery shaft bears north eighty-nine degrees and fifty-three minutes west one hundred and fifty-five and seven tenths feet distant; five hundred and seven and seven tenths feet to corner No. 4, a pine post six inches square, marked 4-5-1915, in mound of earth.

Thence, fourth course, south eighty-five degrees and five minutes west three hundred and forty-nine and four tenths feet to corner No. 5, identical with corner No. 3 of said Sovereign lode claim.

Thence, fifth course, south ten degrees west four hundred and seventy-six and six tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending three hundred and forty-two and seven tenths feet in length along said Keystone Fraction vein or lode.

BEGINNING for the description of the Mary J. No. 2 lode claim at corner No. 1, identical with corners Nos. 5 and 3 of said Alice O. and Anaconda lode claims, respectively, from which said section corner bears south seventy-nine degrees and fifty-nine minutes west eight thousand three hundred and ninety-nine and three tenths feet distant.

Thence, first course, south eighty-nine degrees and thirty-eight minutes east two hundred and ninety-seven and six tenths feet to corner No. 2, identical with corner No. 4 of said Alice O. lode claim.

Thence, second course, south eighty-nine degrees and thirty-five minutes east one thousand two hundred feet to corner No. 3, a pine post four inches square, marked 3-5-1-1915, in mound of earth, from which said U.S. location monument No. 5 bears north sixty-one degrees and fifteen minutes west two hundred and twenty-five and nine tenths feet distant.

Thence, third course, north ten degrees east ninety-six and four tenths feet to a point from which discovery shaft bears north eighty-nine degrees and thirty-six minutes west two hundred and sixty-eight feet distant; three hundred and thirty-eight and seven tenths feet to corner No. 4, identical with corner No. 2 of said Keystone Fraction lode claim.

Thence, fourth course, south eighty-four degrees and fourteen minutes west one thousand and five hundred and thirty-four and four tenths feet to corner No. 5, identical with corner No. 1 of said Sovereign lode claim.

Thence, fifth course, south ten degrees west one hundred and seventy-one and four tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and ninety-seven and six tenths feet in length along said Mary J. No. 2 vein or lode.

BEGINNING for the description of the Mary J. lode claim at corner No. 1, identical with corner No. 3 of said Alice O. lode claim, from which said section corner bears south eighty-four degrees and seventeen minutes west eight thousand six hundred and seventeen and two tenths feet distant.

Thence, first course, south eighty-nine degrees and thirty-five minutes east one thousand two hundred feet to corner No. 2, a fir post five inches square, marked 2-3-5-1915, in mound of earth.

Thence, second course, south eighty-nine degrees and seven minutes east two hundred and eighty-two and four tenths feet to corner No. 3, a pine post four and one half inches square, marked 3-4-1-1915, in mound of earth.

Thence, third course, north thirty minutes west six hundred feet to corner No. 4, a fir post four inches square, marked 4-4-2-1915, in mound of earth, from which said U.S. location monument No. 5 bears north seventy-six degrees and forty-six minutes west four hundred and ninety-three and six tenths feet distant.

Thence, fourth course, north eighty-nine degrees and seven minutes west two hundred and eighty-two and four tenths feet to corner No. 5, identical with corner No. 3 of said Mary J. No. 2 lode claim.

Thence, fifth course, north eighty-nine degrees and thirty-five minutes west one thousand two hundred feet to corner No. 6, identical with corners Nos. 4 and 2 of said Alice O. and Mary J. No. 2 lode claims, respectively.

Thence, sixth course, south thirty minutes east three hundred feet to a point from which discovery tunnel bears south eighty-nine degrees and thirty-five minutes west one

hundred and sixty-five feet distant; six hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and eighty-two and four tenths feet in length along said Mary J. vein or lode.

BEGINNING for the description of the Robin lode claim at corner No. 1, identical with corner No. 2 of said Last Chance lode claim, from which said section corner bears south eighty-seven degrees and forty minutes west eight thousand and fourteen feet distant. Thence, first course, south eighty-nine degrees and thirty-six minutes east one thousand four hundred and ninety-five and four tenths feet to corner No. 2, a pine post six inches square, marked 2-1-1915, in mound of earth.

Thence, second course, north twenty-seven degrees east five hundred and ninety-eight and three tenths feet to corner No. 3 of said Mary J. lode claim, from which said U.S. location monument No. 5 bears north sixteen degrees west seven hundred and thirty-seven and three tenths feet distant.

Thence, third course, north eighty-nine degrees and thirty-five minutes west one thousand two hundred feet to corner No. 4, identical with corners Nos. 3 and 1 of said Alice O. and Mary J. lode claims, respectively.

Thence, fourth course, north eighty-nine degrees and twenty-two minutes west two hundred and ninety-four and six tenths feet to corner No. 5, identical with corners Nos. 3 and 2 of said Last Chance and Alice O. lode claims, respectively.

Thence, fifth course, south twenty-seven degrees west three hundred feet to a point from which discovery cut bears south eighty-nine degrees and thirty-six minutes east forty-five feet distant; six hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and ninety-five and four tenths feet in length along said Robin vein or lode.

BEGINNING for the description of the Rover lode claim at corner No. 1, identical with corner No. 2 of said Robin lode claim from which said section corner bears south eighty-eight degrees and six minutes west nine thousand five hundred and eight feet distant.

Thence, first course, north eighty-nine degrees and forty-seven minutes east one thousand two hundred and sixty-six and five tenths feet to corner No. 2, a fir cut off three and one half feet above ground, squared to four inches, marked 2-2-1915.

Thence, second course, north twenty-seven degrees east three hundred feet to a point from which discovery shaft bears south eighty-nine degrees and forty-seven minutes west six hundred and eighty-six and five tenths feet distant; five hundred and thirty-seven and four tenths feet to corner No. 3, a fir post six inches square, marked 3-1-1915, in mound of earth.

Thence, third course, north eighty-seven degrees and eighteen minutes west nine hundred and fifty-seven and five tenths feet to corner No. 4, identical with corner No. 3 of said Mary J. lode claim.

Thence, fourth course, north eighty-nine degrees and seven minutes west two hundred and eighty-two and four tenths feet to corner No. 5, identical with corners No. 2 and 3 of said Mary J. and Robin lode claims, respectively, from which said U.S. location monument No. 5 bears north sixteen degrees west seven hundred and thirty-seven and three tenths feet distant.

Thence, fifth course, south twenty-seven degrees west five hundred and ninety-eight and three tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand two hundred and sixty-six and five tenths feet in length along said Rover vein or lode.

BEGINNING for the description of the Swamp lode claim at corner No. 1, identical with corner No. 3 of said Rover lode claim, from which said U.S. location monument No. 5 bears north sixty-two degrees and sixteen minutes west one thousand six hundred and twenty-nine and three tenths feet distant.

Thence, first course, south twenty-seven degrees west five hundred and thirty-seven and four tenths feet to corner No. 2, identical with corner No. 2 of said Rover lode claim.

Thence, second course, south eighty-five degrees and fifty-seven minutes east one thousand two hundred and seventy-three and nine tenths feet to corner No. 3, a fir tree squared to five inches, marked 3-1-1915.

Thence, third course, north twenty-seven degrees east two hundred feet to a point from which discovery shaft bears north eighty-one degrees and forty-one minutes west three hundred feet distant; three hundred and thirty-seven feet to corner No. 4, a fir post six inches square, marked 4-1-1915, in mound of earth.

Thence, fourth course, north sixty-nine degrees and nine minutes west six hundred and eighty-two and six tenths feet to corner No. 5, a pine post four and one half inches square, marked 5-2-2-1915, in mound of earth.

Thence, fifth course, north eighty-seven degrees and eighteen minutes west five hundred and forty-two and four tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand two hundred and thirty-eight and three tenths feet in length along said Swamp vein or lode.

BEGINNING for the description of the Ground Hog lode claim at corner No. 1, identical with corners Nos. 3 and 4 of said Mary J. and Rover lode claims, respectively, from which said section corner bears south eighty-five degrees and twelve minutes west ten thousand and ninety-two and one tenth feet distant.

Thence, first course, south eighty-seven degrees and eighteen minutes east one thousand four hundred and ninety-nine and nine tenths feet to corner No. 2, identical with corner No. 5 of said Swamp lode claim.

Thence, second course, north thirty minutes west six hundred feet to corner No. 3, a fir post four and one half inches square, marked 3-1-1915, in mound of earth.

Thence, third course, north eighty-seven degrees and eighteen minutes west one thousand four hundred and ninety-nine and nine tenths feet to corner No. 4, identical with corner No. 4 of said Mary J. lode claim, from which said U.S. location monument No. 5 bears north seventy-six degrees and forty-six minutes west four hundred and ninety-three and six tenths feet distant.

Thence, fourth course, south thirty minutes east three hundred feet to a point from which discovery shaft bears south eighty-seven degrees and eighteen minutes east four

hundred and seventy feet distant; six hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand four hundred and ninety-nine and nine tenths feet in length along said Ground Hog vein or lode.

BEGINNING for the description of the Olimax lode claim at corner No. 1, identical with corner No. 3 of said Ground Hog lode claim, from which said U.S. location monument No. 5 bears north eighty-four degrees and forty-two minutes west one thousand nine hundred and eighty-seven and two tenths feet distant.

Thence, first course, south thirty minutes east three hundred feet a point from which discovery shaft bears south sixty-eight degrees and seven minutes east four hundred and ten feet distant; six hundred feet to corner No. 2, identical with corners Nos. 5 and 2 of said Swamp and Ground Hog lode claims, respectively.

Thence, second course, south sixty-nine degrees and nine minutes east one thousand two hundred and twenty-four and eight tenths feet to corner No. 3, a pine tree squared to four and one half inches, marked 3-1915.

Thence, third course, north thirty minutes west five hundred and seventy-six feet to corner No. 4, a pine post six inches square, marked 4-1915, in mound of earth.

Thence, fourth course, north sixty-eight degrees and seven minutes west one thousand two hundred and thirty-three and seven tenths feet to corner No. 1, the place of beginning the survey of the lode claim as above described extending one thousand two hundred and thirty-three and seven tenths feet in length along said Olimax vein or lode.

BEGINNING for the description of the Ground Hog lode claim at corner No. 1, identical with corners Nos. 3 and 2 of said Mary J. No. 2 and Mary J. lode claims, respectively, from which said section corner bears south eighty-one degrees and thirty-four minutes west nine thousand and eight hundred and seventy-six feet distant, and said U.S. location monument No. 5 bears north sixty-one degrees and fifteen minutes west two hundred and twenty-five and nine tenths feet distant.

Thence, first course, south eighty-nine degrees and seven minutes east two hundred and eighty-two and four tenths feet to corner No. 2, identical with corners Nos. 4 of said Mary J. and Ground Hog lode claims.

Thence, second course, south eighty-seven degrees and eighteen minutes east one thousand two hundred and twenty-two and five tenths feet to corner No. 3, a fir post six inches square, marked 3-1915 in mound of earth.

Thence, third course, north ten degrees east fifty-seven degrees to a point from which discovery cut bears north eighty-six degrees and nine minutes west one hundred and eighty-five feet distant; two hundred and ninety-nine and three tenths feet to corner No. 4, a pine post four inches square, marked 4-1915, in mound of earth.

Thence, fourth course, north eighty-six degrees and nine minutes west one thousand five hundred feet to corner No. 5, identical with corners Nos. 2 and 4 of said Keystone Fraction and Mary J. No. 2 lode claims, respectively.

Thence, fifth course, south ten degrees west three hundred and thirty-eight and seven tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Ground Hog No. 3 vein or lode.

BEGINNING for the description of the Keystone lode claim at corner No. 1, identical with corner No. 3 of said Keystone Fraction lode claim, from which said section corner bears south eighty degrees west ten thousand one hundred and ninety-two and three tenths feet distant, and said U.S. location monument No. 5 bears south sixty-five degrees and forty-one minutes west five hundred and twelve feet distant.

Thence, first course, south eighty-six degrees and nine minutes east one thousand five hundred feet to corner No. 2, a pine post five inches square, marked 2-1915, in mound of earth and rock.

Thence, second course, north ten degrees east three hundred and ninety-eight and eight tenths feet to corner No. 3, a fir post six inches square, marked 3-1915, in mound of earth.

Thence, third course, north seventy-nine degrees and twenty-four minutes west one thousand two hundred and forty-seven and eight tenths feet to corner No. 3, identical with corner No. 2 of said Capitol lode claim.

Thence, fourth course, south eighty-five degrees and five minutes west two hundred and fifty-two and one tenth feet to corner No. 5, identical with corner No. 4 of said Keystone lode claim.

Thence, fifth course, south ten degrees west two hundred and fifty-seven and seven tenths feet to a point from which discovery shaft bears south eighty-six degrees and nine minutes east two hundred and fifty-five feet distant; five hundred and seven and seven tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Keystone vein or lode.

BEGINNING for the description of the Divide lode claim at corner No. 1, identical with corners Nos. 2 and 4 of said Capitol and Keystone lode claims, respectively, from which said section corner bears south seventy-seven degrees and thirty-three minutes west ten thousand six hundred and twenty-six and seven tenths feet distant, and said U.S. location monument No. 5 bears south forty-seven degrees and forty-four minutes west one thousand and eighty-nine feet distant.

Thence, first course, south seventy-nine degrees and twenty-four minutes east one thousand five hundred feet to corner No. 2, a pine post four inches square, marked 2-1915, in mound of earth.

Thence, second course, north three degrees and thirty minutes east six hundred feet to corner No. 3, a pine post four and one half inches square, marked 3-1915, in mound of earth.

Thence, third course, north eighty degrees and thirty-two minutes west one thousand four hundred and ninety-six and six tenths feet to corner No. 4, identical with corner No. 3 of said Capitol lode claim.

Thence, fourth course, south three degrees and thirty minutes west two hundred and seventy and three tenths feet to a point from which discovery cut bears south seventy-nine

degrees and twenty-four minutes east three hundred and forty-five foot distant; five hundred and seventy and three tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Divide vein or lode.

Said lot No. 1915 containing three hundred and twenty-four acres and five hundred and forty-three thousandths of an acre of land, more or less.

NOW KNOW YE, That there is therefore, hereby granted by the United States unto the said Alice Mining Company, and to its successors and assigns, the said mining premises hereinbefore describee and not expressly excepted from these presents, and all that portion of the said Mountain View, Case, Wild Horse, Last Chance, Alice C., Anaconda, Stray Horse, Capitol, Sovereign, Keystone Fraction, Mary J. No. 2, Mary J., Robin, Rover, Swamp, Ground Hog, Climax, Ground Hog No. 3, Keystone and Divide veins, lodes or ledges, and of all other veins, lodes and ledges, throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said Lot No. 1915 extended downward vertically, although such veins, lodes or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical lines of said premises: Provided, That the right of possession to such outside parts of said veins lodes or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said Lot No. 1915, so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes or ledges: And provided further, That nothing herein contained shall authorize the grantee herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities and appurtenances, of whatsoever nature, thereunto belonging, unto the said grantee above named and to its successors and assigns forever; subject, nevertheless, to the above mentioned and to the following conditions and stipulations:

First. That the premises hereby granted, with the exception of the surface, may be entered by the proprietor of any other vein, lode or ledge, the top or apex of which lies outside of the boundary of the said granted premises, should the same in its dip be found to penetrate, intersect or extend into said premises, for the purpose of extracting and removing the ore from such other vein, lode or ledge.

Second. That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing or other purposes, and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local customs, laws and decisions of courts. And there is reserved from the lands hereby granted, a right of way thereon for ditches or canals constructed by the authority of the United States.

Third. That in the absence of necessary legislation by Congress, the Legislature of Idaho may provide rules for working the mining claim or premises hereby granted, involving easements, drainage and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Theodore Roosevelt, President of the United States of America, have caused these letters to be made patent and the seal of the General Land Office to be hereunto affixed.

GIVEN under my hand at the City of Washington the first day of May, in the year of our Lord one thousand nine hundred and five and of the Independence of the United States the one hundred and twenty-ninth.

(Seal General Land Office)

By the President, T. Roosevelt.

By F.M. McKean, Secretary.

C.H. Brush, Recorder of the General Land Office.

Recorded, Vol. 419, pages 76 to 104 inclusive.

P.R.W.

Recorded at the request of A.G. Kerns, Jun. 3, 1905, at 12 o'clock M.

Stanley P. Furmather
County Recorder,

By

E. J. Furmather
Deputy.
